Thank you for choosing Hill Country Veterinary Hospital to care for your pet!

Our mission is to strengthen and nurture the human animal bond and develop lifelong relationships with our patients and clients by providing prompt, on time, state of the art compassionate veterinary care in a calm, pleasant environment. We want to serve families and their pets by providing the best in veterinary services at a fair cost in the most courteous, efficient, and professional manner possible. We want our patients and clients to feel they are honored guests and that they get a “hug”, whether physically, or through their experience with us.

Whether you are new to us, new to our area, or new to pet ownership, we strive to provide outstanding veterinary care for your pet. And for those of you with feline family members, we have a designated feline exam room that is designed for comfort and a stress-free experience.

For your convenience, appointments can be scheduled by phone or online. If you prefer to see a particular veterinarian, please let us know when scheduling. In an emergency, the first available veterinarian will see your pet, but we make every effort to accommodate your preferences. Our Saturday and evening hours are very popular, so it is a good idea to make appointments for routine care well in advance for those times.

Our hospital hours are:

Monday - Friday: 7 a.m. – 6 p.m.

Saturday: 8 a.m. – 12 p.m.

Sunday: Closed
